# **ABOUT US**

Since 2016, Framez House has been working with the largest brands all around UAE in both governmental and private sectors, striving to create high-end results aiming for client satisfaction in all aspects. In addition, to be specialized in series and commercials, Framez House has been an established company with an exceptional track record for an excellent customer satisfaction rate. Framez House is a firm believer in getting things done professionally with the highest quality..

# OUR VALUES

## WHAT IT IS ALL ABOUT

Good production, according to Framez House, must perform, adapt, astonish, and achieve its goal. Our diverse team brings your vision to life by delivering your brand's concept, production, appearance, impression, and sound in order to make the biggest impact possible. With many years of national and international project delivery expertise, it is our never-ending aim to develop ideas and content that stand out from the crowd, content that people notice, and content that our clients are proud to own.

# COMPANY HISTORY

## TIMELINE

**Let our work speak for **itself****

# BALANCE WITHIN **How we do it !**

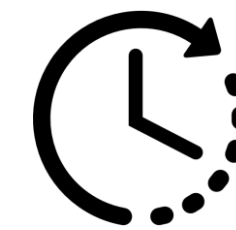

## **EXPERIENCE**

By allocating the budget with the expert team they will be able to exploit it in the correct direction to get the best results

## **BUDGET**

By dedicating the correct amount of funding for the project through the right resources, team and the right requirements to reach the highest results.

## **TIME**

With experience comes success and achievements with minimizing the risk and error

## PORTFOLIO - Videos

***Dima Hamad***

***HUAWEI TECH ( UAE )***

“

It was a pleasure working with such creative, talented and experienced people. I respect how passionate and detailed you are and the respect and flexibility you add to the working environment.

Special thanks to Mohammed. Working with him was delightful as he was extremely talented and supportive and has ensured maximum facilitation and convenience throughout the full production process.

***Rania El Maghraby***

***Brand & Corporate Communications - du***

“

Framez House are our perfect production partner as they always provide us with quality savvy videos. Their competitive prices combined with their fast-editing techniques makes them the go to production house for all our production requirements.

We are extremely happy for this fruitful partnership, and we shall continue working on more exciting projects together.
